VAL M. RUNGE
EDITOR

Contrast-Enhanced Clinical Magnetic Resonance Imaging

Author :Val M Runge / **Category :**Medical / **Total Pages :** 192 pages

[Download Contrast-Enhanced Clinical Magnetic Resonance Imaging PDF](#)

Summary : Free contrast-enhanced clinical magnetic resonance imaging pdf download - in contrast-enhanced clinical magnetic resonance imaging val m runge and other leading experts present an overview of the basic principles regarding mr contrast media a review of clinical applications in the head spine and body and a look at future developments their focus is on clinical applications with extensive illustrations to demonstrate the use of mr in each anatomic area and to aid in film interpretation

Publisher : University Press of Kentucky on 2015-01-13 /
ISBN : 9780813159065
