

# Proceedings Of The 1995 International Conference On Parallel Processing

**Author :**Constantine Polychronopoulos / **Category :**Computers  
**/ Total Pages :** 256 pages

 [Download Proceedings Of The 1995 International Conference On Parallel Processing PDF](#)

**Summary :** Free proceedings of the 1995 international conference on parallel processing pdf download - this set of technical books contains all the information presented at the 1995 international conference on parallel processing this conference held august 14 - 18 featured over 100 lectures from more than 300 contributors and included three panel sessions and three keynote addresses the international authorship includes experts from around the globe from texas to tokyo from leiden to london compiled by faculty at the university of illinois and sponsored by penn state university these proceedings are a comprehensive look at all that s new in the field of parallel processing

**Pusblisher :** CRC Press on 1995-08-08 / **ISBN :** 0849326168
