Author :Cornelie Usborne / **Category** :Psychology / **Total Pages** : 324 pages

[Download The Politics Of The Body In Weimar Germany PDF](#)

Summary : Free the politics of the body in weimar germany pdf download - this book analyses how the weimar republic put germany in the forefront of social reform and women s emancipation with wide-ranging maternal welfare programmes and labour protection laws its enlightened policy of family planning and liberalised abortion laws offered women a new measure of control over their lives but the new politics of the body also increased state intervention the power of the medical profession and the tendency to sacrifice women s rights to national interests whenever the volk seemed in danger of racial decline

Pusblisher : Springer on 1992-11-25 / **ISBN** : 9781349122448
