**Summary :** Free official history of the ministry of munitions volume i industrial mobilizations 1914-15 pdf download - volume 1 of 12 the foundation of the munitions ministry was a revolutionary step coinciding with the shells scandal in which the failure of a series of british attacks neuve chapelle aubers ridge festubert and loos - was blamed on inadequate supplies of munitions a press outcry was followed by questions in parliament which threatened to bring down the government the ministry was set up in response previously the war office had been responsible for designing ordering and inspecting ammunition factories and stores but a year of war on a scale never foreseen the creation of armies larger than ever contemplated and the demand for unprecedented quantities of materiel showed the absolute necessity of providing centralised direction of mass war production the great war completely upset normal industrial conditions preparing this history of the ministry of munitions was started during the war itself it was felt that consulting the officials concerned whilst they were still in post was vital particularly as many such posts were temporary and while the questions with which the history would deal were vividly present in their minds this volume contains information concerning munitions supply 1914-15 treasury agreement the armaments output committee the munitions of war act 1915
